

Topaig 17 - An Taigh

Topic 17 - The House

Òran: Togaidh Sinn Taigh

Song: We Will Build a House

**Togaidh sinn taigh le ballaichean geal,
Le ballaichean geal, le ballaichean geal.
Togaidh sinn taigh, le ballaichean geal,
Doras is uinneagan mòra.**

We will build a house with white walls,
With white walls, with white walls.
We will build a house with white walls,
A door and big windows.

**Togaidh sinn taigh le similear àrd,
Le similear àrd, le similear àrd.
Togaidh sinn taigh le similear àrd,
Doras is uinneagan mòra.**

We will build a house with a tall chimney,
With a tall chimney, with a tall chimney.
We will build a house with a tall chimney,
A door and big windows.

**Togaidh sinn taigh le staidhre na bhroinn,
Le staidhre na bhroinn, le staidhre na bhroinn.
Togaidh sinn taigh le staidhre na bhroinn,
Doras is uinneagan mòra.**

We will build a house with a stair inside it,
With a stair inside it, with a stair inside it.
We will build a house with a stair inside it,
A door and big windows.

**Togaidh sinn taigh le gàrradh is feans',
Le gàrradh is feans', le gàrradh is feans'.
Togaidh sinn taigh le gàrradh is feans',
Doras is uinneagan mòra.**

We will build a house with a garden and a fence,
With a garden and a fence, with a garden and a fence.
We will build a house with a garden and a fence,
A door and big windows.

**Togaidh sinn taigh le ballaichean geal,
Le ballaichean geal, le ballaichean geal.
Togaidh sinn taigh, le ballaichean geal,
Doras is uinneagan mòra.**

We will build a house with white walls,
With white walls, with white walls.
We will build a house with white walls,
A door and big windows.
