What is the time?
Said the clock
What is the time?
Said my father’s clock
What is the time?
Said the clock
Tick Tock Tick

Midday
Said the clock
Bright and sunny
Midday
Said the clock
Tick Tock Tick

Four o’clock
Said the clock
School has now dispersed
Four o’clock
Said the clock
Tick Tock Tick

Midnight
Said the clock
Late and dark
Midnight
Said the clock
Tick Tock Tick

What is the time?
Said the clock
What is the time?
Said the clock
Tick Tock Tick
